

# CALL FOR ARTISTS

Thank you for your interest in exhibiting your artwork in the City of Redmond.

## Background

The City of Redmond is seeking submissions for three-dimensional artwork to adorn a new bus shelter. The shelter will be built on NE Redmond Way in downtown Redmond on a major King County Metro Transit bus route.

## Design

The design should create a “crown” at the top of the shelter and enhance the base horizontal panels across the bottom of the shelter. (See examples at top and right.) The City requires designs that are applicable to durable media (ie: steel) and vandal resistant. Designs should also work well with the “Sonic Green” (PMS 350C) color of the shelter. See attached PDF for size specs—footing plan B2i. The design should be easily duplicated or the theme expanded for additional Redmond bus shelters. Budget is \$6,000-\$8,000.

Images may be submitted on slides, CD, or via website. For slides, label each slide with the name of the artwork, artist's name, and a number corresponding to the Artwork List. For CDs, label the CD with the artists name and include the name of each file with the corresponding description on the Artwork List. For web sites, for each image listed on the Artwork List, provide a URL or a short description of how to find it on your web site.

Digital images must be large enough to clearly show the quality of your artwork on a typical monitor size of 1024x768. Files can be in TIFF or JPEG format. Please provide close-ups when necessary to show detail of large pieces. Please let us know if your artwork has properties that are not well represented in photographs, such as transparency, reflection, or three-dimensionality.

## Selection

The selected artist will be notified by December 12, 2005. Slides will be returned to artists who are not selected.

## Application process

Entries must be postmarked or hand delivered by Monday, November 28. To apply, please submit the following:

- Five images of your proposed work or conceptual drawings with multiple side views of your proposed work.
- A proposed installation plan.
- Ten images of your existing work and an Artwork List with annotated descriptions of each piece.
- A resume/biography.
- A self-addressed, stamped envelope large enough to fit your slides or media.
- Contact information.
